Now is the Time to Get the House Ready for Christmas Festivities.

How better can you do this than to purchase \$10.00 worth of Soaps, Toilet Articles, Teas, Coffees and Spices, things you need and use every day of your life; then selecting one of our beautiful premiums as a Christmas gift to some one of your family.

We have got the Very Best Proposition that has been placed before the people of this vicinity. If you will only take the pains to find out for yourself you will readily see that what we say is perfectly true. With our plan you have only to purchase \$10.00 worth of Products, not \$18.00 or \$20.00 as you have with others to get identically the same premiums. Besides we allow you to trade one dollar or more at a time until you get the required \$10.00. In this way it does not become a hardship and you are at the same time providing the way whereby you can furnish your home with desirable articles of Furniture.

Our Products Will Speak for Themselves

We have proven to the satisfaction of those who have tried them that we are giving as good and, in many instances, better values in Products than any other house doing a similar business.

TRY US AND FIND OUT

We are showing today in our window a variety of Premiums to go with an order for \$10.00. A glance at them will convince you of their excellent value. They include Morris Chairs, Easy Rockers, Rattan Rockers, Couches, Couch Beds, Desks, Work Tables, Lamps, Portieres, Lace Curtains, Rugs, etc. Make your Christmas selections from these useful articles.

THE POINT IN QUESTION

Why is it that we do the lion's share of the Clothing business in Barre? Why is it that the number of people who buy Clothing here increases every year? Why is it that the men, young fellows and boys who are most particular about their Clothes come here for them? Why is it that the man who thinks he can not be fitted properly in Ready-to-wear Clothes, changes his opinion after he has given our sort of Clothes a trial? There's only one answer and it's this: Our sort of Clothing is built on higher ideals than the kind you find most anywhere—no other Clothing so successfully rivals the made-to-order product at half its price. Examples: Our \$10.00, \$12.00, \$15.00 to \$25.00 Suits. Our \$10.00, \$12.00, \$15.00 to \$30.00 Overcoats.
